

# LEADERSHIP BULLITT PRESENTATION

## JUNE 20, 2024

### SUMMARY

## MEETING OVERVIEW

---

Planning staff held a presentation to Leadership Bullitt on June 20, 2024. Approximately 25-30 people were in attendance. The presentation utilized the same format as the June 11, 2024 open house. The presentation had several interactive stations to elicit feedback from the community, including maps for attendees to show where different types of development would be appropriate throughout the county, including maps for the major cities in Bullitt County. There was a station to allow attendees to provide input on their big ideas for the community. Additionally, there were boards to provide feedback on some of the biggest strengths of Bullitt County, as well as some of the challenges the county faces.

## WHAT DID WE HEAR?

---

Attendees provided input on the strengths and challenges for Bullitt County. This included:

- Highways, roads, and bypasses (Strength)
- Unused land (Strength)
- Affordable housing (Challenge)
- Public transportation (Challenge)
- Floodzones (Challenge)
- Traffic (challenge)
- Resources for the poor and homeless (Challenge)
- Infrastructure (Challenge)
- Family-friendly activities and entertainment (Challenge)

Attendees provided input on their big ideas for the future of Bullitt County. These included:

- Large shopping mall
- Turn an empty warehouse into family stuff like Main Event but with axe throwing and indoor go-carts
- More planning rules so new buildings go together. Also form-based zoning.
- 5-acre farm tracts
- Accessory dwellings/granny flats
- BCPR more parks and rec activities, functions, and events
- Re-open the Maryville pool
- More affordable things for kids and families to do
